(the Organization), which comprise the statement of financial position as of December 31, 2014 and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

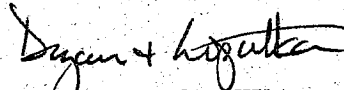

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

HOPE FOR TOMORROW, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2014

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Hope for Tomorrow, Inc. (the Organization) was formed on October 26, 2001 in accordance with the not-for-profit statutes of the State of Illinois. The Organization provides highly structured, sober, supportive residential quarters to men and women in early recovery suffering from the diseases of substance abuse, chemical dependency, and compulsive pathological gambling. In addition, they provide outpatient alcohol and drug treatment to adolescents and adults, along with DUI evaluation, remedial education and crisis intervention.

The financial statements were available to be issued on April 1, 2015, with subsequent events being evaluated through this date.

Basis of Accounting -

The financial statements of the Organization are prepared on the accrual basis of accounting which recognizes revenue as it is earned and expenses as they are incurred.

Basis of Presentation -

Financial statement presentation follows the recommendations of the Accounting Standards Codification (ASC), *Financial Statements for Not-for-Profit Organizations*. Under the ASC, the Organization is required to report information regarding three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Estimates -

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents -

For purposes of the statement of cash flows, the Organization considers all investments purchased with an original maturity of three months or less to be cash equivalents.

Property and Equipment -

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method over 5 to 40 years. Depreciation expense at December 31, 2014 was \$16,337.

Income Taxes -

The Organization is exempt from federal income taxes under Revenue Code Section 501(c)(3) as a public charity and not a private foundation. The Organization is also exempt from Illinois income tax. Accordingly, no provision for income tax has been established.

The Organization files income tax returns in the U.S. federal jurisdiction and Illinois. With few exceptions, it is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2011. The Organization does not expect a material net change in unrecognized tax benefits in the next twelve months.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Revenue Recognition -

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished, such as the payment of expenses related to the restriction), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of support, revenues and expenses as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted. As of December 31, 2014, there were no temporarily restricted or permanently restricted net assets.

Expense Allocation -

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

In-Kind Services -

The Organization receives substantial support from volunteers who donate their time to accomplish the Organization's purpose. The value of such time is not included in the accompanying financial statements. If the in-kind services and expenses were recorded, they would have no effect on the change in net assets. Total hours donated by volunteers during 2014 were approximately 290.

(2) NOTES PAYABLE:

A summary of the Organization's notes payable as of December 31, 2014 is as follows:
